Privacy Notice pursuant to EU Regulation 679/2016 (GDPR)

The purpose of this document is to inform the individual (hereinafter the "**Data Subject**") regarding the processing of their personal data (hereinafter "**Personal Data**") collected by the data controller, **Fondazione Basilica di Superga ETS**, with its registered office at **Piazza Borgo Dora 61**, tax code **97909840015**, VAT number **13203000016**, email address **fondazione@basilicadisuperga.org**, certified email address **fondazionebasilicasuperga@pec.it**, tel. **+39 011 8980083**, (hereinafter the "**Data Controller**"), via the website **www.basilicadisuperga.org** (hereinafter the "**Application**"). Any amendments and updates shall be binding as soon as they are published on the Application. Should the Data Subject not accept the amendments made to the Privacy Policy, they are required to cease using this Application and may request that the Data Controller delete their Personal Data.

Categories of Personal Data Processed

The Data Controller processes the following types of Personal Data provided voluntarily by the Data Subject:

Contact details: first name, surname, address, email address, telephone number, any further information provided by the Data Subject, etc.

Tax and payment details: tax code, VAT number, credit card details, bank account details, etc.

The Data Controller processes the following types of Personal Data collected automatically:

Technical data: Personal Data generated by the devices, applications, tools and protocols used, such as, for example, information on the device used, IP addresses, browser type, type of Internet service provider (ISP). Such Personal Data may leave traces which, particularly when combined with unique identifiers and other information received from servers, may be used to create profiles of natural persons.

Browsing and app usage data: such as, for example, pages visited, number of clicks, actions performed, session duration, etc.

Failure by the Data Subject to provide Personal Data where there is a legal or contractual obligation to do so, or where such data is a necessary requirement for the conclusion of a contract with the Data Controller, will make it impossible for the Data Controller to establish or continue the relationship with the Data Subject.
Any Data Subject who provides the Data Controller with Personal Data relating to third parties is directly and solely responsible for the origin, collection, processing, disclosure or dissemination of such data.

Cookies and similar technologies

The Application uses cookies, web beacons, unique identifiers and other similar technologies to collect Personal Data relating to the Data Subject regarding the pages and links visited and other actions carried out when the Data Subject uses the Application. These are stored and then transmitted upon the Data Subject's next visit. You can view the full Cookie Policy at the following address: www.basilicadisuperga.org/cookie.

Legal basis and purpose of the processing

The processing of Personal Data is necessary:

for the performance of the contract with the Data Subject, specifically:

1. to fulfil any obligation arising from the pre-contractual or contractual relationship with the Data Subject.
2. for the registration and authentication of the Data Subject: to enable the Data Subject to register on the Application, log in and be identified, including via external platforms.

3. support and communication with the Data Subject: to respond to the Data Subject's enquiries.
4. payment processing: to process payments by credit card, bank transfer or other means

by law, and specifically:
1. compliance with any obligation laid down by current legislation, laws and regulations, in particular in relation to taxation and pay scales

on the basis of the Data Controller's legitimate interest, for:
1. the purpose of email marketing of the Data Controller's products and/or services, in order to sell the Data Controller's products or services directly Data Controller using the email address provided by the Data Subject in the context of the sale of a product or service similar to that which was the subject of the sale
2. management, optimisation and monitoring of the technical infrastructure: to identify and resolve any technical issues, to improve the performance of the Application, and to manage and organise information within an IT system (e.g. servers, databases, etc.)
3. Statistics using anonymous data: to carry out statistical analyses on aggregated and anonymous data in order to analyse the behaviour of the Data Subject, to improve the products and/or services provided by the Data Controller and to better meet the expectations of the Data Subject

on the basis of the Data Subject's consent, for:
1. marketing purposes: to provide the Data Subject with information on the products and/or services offered by the Data Controller through automated processing aimed at collecting personal data with the aim of predicting or assessing their preferences or behaviour.
2. retargeting and remarketing: to reach the Data Subject with a personalised advertisement if they have already visited or shown an interest in the products and/or services offered by the Application, using their Personal Data.
3. marketing of the Data Controller's products and/or services: to send commercial and/or promotional information or materials, to carry out direct sales of the Data Controller's products and/or services, or to conduct market research using both automated and traditional methods.
4. Disclosure of Personal Data for third-party marketing and analysis/research purposes: to disclose Personal Data to third parties such as organisations and bodies within the Italian cultural and tourism sector, and partner organisations and bodies of the Fondazione Basilica di Superga ETS (with particular reference to the Associazione Abbonamento Musei – Via Assarotti 9 – Turin / Piazza Città di Lombardia 1 – Milan) may use such Personal Data for analysis/research purposes and to send them commercial and/or promotional information or materials, or to carry out direct sales of their products and/or services, or to conduct market research using both automated and traditional methods.

On the basis of the Data Controller's legitimate interest, the Application allows interactions with external platforms or social networks, the processing of Personal Data by which is governed by their respective privacy policies, to which please refer. The interactions and information collected by this Application are in any case subject to the privacy settings that the Data Subject has chosen on those platforms or social networks. This information – in the absence of specific consent to processing for further purposes – is used solely to enable the use of the Application and to provide the information and services requested.
The Data Subject's Personal Data may also be used by the Data Controller to defend itself in legal proceedings before the competent courts.

Methods of processing and recipients of Personal Data

Personal Data is processed using paper-based and computerised means, in accordance with organisational procedures and logic strictly related to the purposes indicated, and through the adoption of appropriate security measures.

Personal Data is processed exclusively by:

- persons authorised by the Data Controller who have undertaken to maintain confidentiality or are subject to an appropriate legal obligation of confidentiality;
- parties acting independently as separate data controllers or parties designated as data processors by the Data Controller for the purpose of carrying out all processing activities necessary to achieve the purposes set out in this notice (for example, business partners, consultants, IT companies, service providers, hosting providers);
- parties or bodies to whom it is mandatory to disclose Personal Data due to a legal obligation or by order of the authorities.

The parties listed above are required to implement appropriate safeguards to protect Personal Data and may only access the data necessary to carry out the tasks assigned to them.

Personal Data will not be disclosed indiscriminately in any way.

Location

Personal Data will not be transferred outside the territory of the European Economic Area (EEA).

Retention period for Personal Data

Personal Data will be retained for the period necessary to fulfil the purposes for which they were collected, in particular:

- for purposes relating to the performance of the contract between the Data Controller and the Data Subject, they will be retained for the entire duration of the contractual relationship and, following its termination, for the standard limitation period of 10 years. In the event of legal proceedings, for the entire duration of such proceedings, or until the time limits for bringing appeals have expired.
- for purposes relating to the Data Controller's legitimate interests, it will be retained until such interests cease to apply.
- for the fulfilment of a legal obligation, by order of an authority and for the purposes of legal defence, they will be retained in accordance with the timeframes set out by such obligations and regulations, and in any event until the expiry of the limitation period provided for by the regulations in force.
- for purposes based on the Data Subject's consent, they will be retained until such consent is withdrawn. For marketing purposes, for a period not exceeding 24 months.

At the end of the retention period, all Personal Data will be erased or retained in a form that does not allow for the identification of the Data Subject.

Rights of the Data Subject

Data subjects may exercise certain rights in relation to the Personal Data processed by the Data Controller.

In particular, the data subject has the right to:

- be informed about the processing of their Personal Data.
- withdraw their consent at any time.
- restrict the processing of their Personal Data.
- object to the processing of their Personal Data.
- access their Personal Data.
- verify and request the rectification of their Personal Data.

- obtain the restriction of the processing of their Personal Data.
- obtain the erasure of their Personal Data.
- transfer their Personal Data to another data controller.
- lodge a complaint with the supervisory authority responsible for the protection of their Personal Data and/or take legal action.

To exercise their rights, data subjects may send a request to the following email address: **fondazione@basilicadisuperga.org**. Requests will be dealt with by the Data Controller immediately and processed as soon as possible, and in any event within 30 days.
